

New Covenant updates from India

May, June & July 2023

Dear friends, good morning from Our Home. It has been hard with my family and ministry last 3 months.

07th May 2023 at Namakkal Sunday church.

After we arrived from Srilanka, we continued to focus on the northwest town Namakkal.

Sharing the word of God at the weekend at the village church. So many were healed after the Sunday service.

From May 20th till 31st Youth Camp at Chennai.

My kids and friends of them went to the teenager youth camp. It was much edified for their lives. During the holidays it was hard to get them out of their cell phones.

26th till 28th May at Veppanthattai, Perambalur.

Every church needs the Gospel and the edification of the Lord. Young guys were addicted to various things in the Perambalur church. The Lord has delivered them all.

04th June 23 Harveypatti village, At Madurai

The Lord has healed many new believers and so much Joy returned to the church. We shared the word of God from 1John 4 and the Holy Spirit confirmed the word with healing and deliverance in the church.

From June 6th till 15th at Jeyapore, Orissa with tribal believers

State of Orissa is 1350km from where we live in south India. It would take 2 days travel by train journey. Religious persecution is normal here, never allow any to believe in Christianity. Churches were barely surviving.

Local leaders were arranged 2 days (8th & 9th June) fasting prayers and healing conference for the tribal people in Orissa. Two days we have seen the out pouring of the Holy Spirit among the people irrespective of their back ground.

More than 50 married couples were healed and received the anointing of the Lord. And 100s of individuals were delivered from demonic oppressions. I ministered from 12pm till 5 pm praying for people from neighboring villages. Thanks be to the Lord for his grace.

On 10th of June Mokapur, Orissa. Baptism service in the remote village (under cover).

Since I was in Dec 2022, I made connection with the family who are ready to give their lives for the LORD. So, the whole family were willing to take baptism and Holy communion

The Lord opened 6 people hearts in one family. I have spent 2 days with them showing various scriptures to walk with the LORD every day. It took 2days to reach Orissa and 2-day travel back to home.

Glory to Jesus Christ, and there is more joy in the presence of the angel when a soul repented in the kingdom.

On 10th Sunday at Sonapur, Koraput Orissa

Next day traveled 35 kms in the jungles to another church for the ministry with new believers of another tribal people with Pastor Sonu.

God's healing power was so strong in the church almost every one were filled with the Holy Spirit and received the healing and restoration of the Lord. Afternoon we went to another church in town with Pastor T.K.Sunna who was suffering in pain and his wife was going through sickness.

After service his family and entire church was healed by the LORD. Yashuah Rapha's presence was so strong among us. Many times our words can't explain the presence of God, But the Lord is faithful to meet his people in supernatural way.

Truly the church was so much oppressed and every one was waited for the hour of healing of the LORD. Almost every believer was received the healing and

Anointing of the LORD. What man and world cannot do spiritually but the Lord does it with compassion.

18th June 2023, at Vaddipatti village church

Traditional churches want the healing of the Holy Spirit in their midst. They were chosen to believe in the gifts of the spirit. Gospel is the power of God unto salvation.

20th June at Namakkal Healing service.

A group believers gathered and we had a healing and deliverance service at Namakkal. I shared the word of God, the forgiveness of the sin by the blood of Jesus Christ, which gives us a status of Righteous living before the Lord.

God's healing hand was so amazing upon everyone. They came with faith and every one was healed and restored by the Holy Spirit. The Local pastor was so thankful and he wants to me help the church often.

The Lord is very much active with full of resurrection life in all meetings and gatherings. He is full of zeal in churches and restoration of the Holy Spirit among the believers.

The amazing work of the Holy Spirit among the believers in the churches is inevitable.

25th June 2023 Kovilpapagudi village church at sub herbs of Madurai.

We shared the word of God from I Corinthians Chapter 2. The Lord has confirmed with many healing and deliverance including kids.

From July 7th till 19th 2023, Punjab state.

On the 6th and 7th of July traveled to Amritsar city, Punjab from Namakkal. Almost 3200kms travel by train. State of Punjab is totally unique culture with Sikhism religious beliefs. Last decade so much persecution and violence has done against Christians.

I was ended up in heavy monsoon in the western side of Punjab state, a town called Dehra Baba Nanak. Truly it was the Lord's appointment with these precious people.

We have start to share the word of God through the house meetings with love in the village.

Church believers put together a Gospel meeting in the village. Meeting started at 8pm finished at 12am more than 200 people received the Gospel in the village. 100's was received the healing of Yahweh Rapha.

Almost every home we reached the people in 4 villages of Batala District. I am able travel every day 100 km every day by bike, because we were trapped by River Ravi floods. Later I have to keep moving to different place for escape. During my stay 12 days I was keep moving and stayed at 5 different places in the state of Punjab.

We have held the house meetings with the word of Truth over 10 houses. Most of them never had been to school or don't speak other than Punjabi language. After 10 years I am able to return this place with the Gospel with the power of the Holy Spirit.

Still the persecution of Christians here is more common and living by faith on the Lord Jesus is rare. During our travel into the villages and in the ministry, we were on the alter of the Holy Spirit and

high risk of preaching the Gospel around here. Demons hates the souls and the gift of salvation.

Missionary life every day with locals

Every day I have traveled with my brothers by the two-wheeler or 3-wheeler over 70 kms in different villages.

Every time when I stayed at remote villages, no toilets, and no better place to stay and poor transport in to the villages. But We have to adopt with them regardless of food, climate, language and accept them as brothers and sister in Christ.

I encourage you please take a few minutes to go to the you tube channel.

Since many of the ministry is religious sensitive content and confidential So I could not able to upload all the videos. Thank you very much for standing with us and we appreciate your faithful partnership in the work of the Gospel.

Please continue to prayer for us to do the work of the Gospel with diligence and with the power of the Holy spirit in every language people group.

In the present spiritual condition in the country is getting bad to worse every day. We could not able to explain the enemy's ruthless blood shed everywhere. Except the divine protection of the LORD or Angelic protection we cannot do nothing on our own.

We thank you for your help and every prayer support for my family and for the ministry.

My heart felt request for you is Please uphold us in your prayers. We truly value your prayers and love for us. Every day as a family we trust in the LORD and look up to heaven for every need.
