

New Covenant Updates Dec 2015

Hello friends families Greetings from Sam & Susannah India,

We are so thankful and grateful for his goodness in our lives. October and November months were traveling and monsoon time of ministry in India

Orissa State Discipleships Training at Koraput District

We were able to teach few days and train the native believers for the work of the gospel at Orissa state. Tribal leaders were first generation Christians in their community.

Every tribal Christians live by total dependent on the grace of the Lord. They are getting threatening each day, but their faith is so strong on Christ. I am so amazed by them.

We heard sad news and were traveling to south; on the Nov 5th Susannah's mother went to be with the LORD. So we were attended her funeral at her hometown.

Tamilnadu State Travel

At the sub herbs of Chennai I am able to stay with 3 different churches and train the locals with the word of GOD.

So many of them were youth and they are willing to follow the LORD and the Holy Spirit. During our Tamilnadu visit we are able meet with our bible school graduates

and spend time with them, and involved in the ministry with their local churches.

It was great to see fellow brothers has grown in the LORD and their faith was developed remarkable way. The Holy Spirit has taken them and their callings were unfolded in Christ.

The Lord Has protected us from the earthquake last month at old Faridabad, and He kept us safe in the last month floodings in the Tamilnadu. We were thankful to the LORD for he is our shield in every travel we do in India.

I am thankful for the LORD and my friends who were invested in our lives over the years for His Kingdom.

Now is the time our land to fight for our faith every day. We need the grace of GOD every day to overcome the evil here. Always we can see the constant fight against the light and darkness.

We thank you for prayers and continual support for the Gospel.

*We really appreciate your faithful partnership in the LORD. **Please uphold us in your prayers, so that we would have constant leading of the Holy Spirit every day in the tough times.** We love you in the everlasting love of Jesus.*

Your brother in Christ,

SAM APOLLOS & FAMILY
