

*New Covenant Updates and Prayer
requests - September- 2017*

Good morning my friends, Yes, we truly live in the end times with all the fulfillment of the prophecies. As we continue to abide more time in prayers the Holy Spirit is sobering us end time is here.

During the August, we reconnected with our New Covenant Bible School graduates and we start teaching on the epistles of Paul to the churches and we have seen the Holy Spirit intervention was beyond our thinking.

At the Sambakkulam Village, Madurai South

Truly the Lord has blessed the believers who heard truth that our body is the temple of the Holy spirit from the word of God.

At the Vilangudi Village, Madurai West

We shared the testimonies of northern India missions. New Covenant Bible school graduates from last 17 years reunion with us and time of witnessing to them what the Lord has done over the years.

End time messages from the book of Revelation, and we did the thanks giving to the Lord for His grace over the years.

Because of His grace and the Lord is opening eyes of the brothers and sisters at Madurai. We continue to sow the Gospel in deeper level and to reach so many people for Christ.

After me and my family meet with our old graduates, we are committed to grow and we love to pray together and fellowship with the Holy Spirit and word.

Because of the days are evil we want to cease every opportunity for the Lord and help each other to grow in Christ. We are praying together for the salvation of souls.

Truly the Holy Spirit kindles the people for the purpose of the Gospel not me. but I cannot hide any things from the Word of the LORD.

Teaching at local churches Madurai City.

I was invited to teach the word of the Lord to the local churches pastored by our graduates. So many new believers I can see.

We continue to impart the vision of unreached people of India to the believers and we together pray and cry out the Lord. Each time the Holy Spirit took control over us

Many years the local churches were misinformed about the real northern India. But the Lord connects his people for his purpose in the prayers and for the nation.

Our Lord Jesus Christ is keep transforming his people by the word and His spirit. We are his servants to do his will in Christ.

So many time the Lord does his perfect will among the people when we obey his word completely. Always our Lord loves his church and calling his people for higher relationship with him.

As we continue to abide in teaching and training the children of God, we felt so much grieving of the Holy Spirit in our prayers. The enemy tries all his ways to distract us from the will of God. Because of his abundant grace now we are alive.

Prayer request for SRILANKA.

Jesus Christ has said John 15:5 *"I am the vine, you are the branches. He who abides in me, and I in him, he it is that bears much fruit, for apart from me you can do nothing".*

- Lord would raise up many and Gospel workers and Evangelist.
- Churches needs wake up for true disciples to pray and hunger for the souls.
- Every believer needs the pouring out of the Holy Spirit to evangelize the neighbors with Christ's love
- Lord would give us the grace and favor over the Government authorities for the spreading of Gospel.
- While we share the good news, the Lord would confirm the word with the gifts of the Holy Spirit.

We are planning and praying to visit the island nation this November 2017. We need your prayers to accomplish the promises of God in the land.

Myself and Susannah were thankful for your help and commitment in the Gospel. Recent months we discovered that more time in prayer and listen to the voice of the Holy Spirit is the keys to go forward with the LORD in midst of darkness around us.

We truly appreciate you in the LORD and together we can glorify the Lord among the heathens. His word and everlasting love never changes.

In Christ, SAM APOLLOS & SUSANNAH
