

New Covenant Updates – September 2015

Dear friends and families,

Thank you so much for your prayers and support in the LORD. Yes kingdom of light always expels the darkness. Every day we praise and thank the LORD for his grace and promises.

As you know we keep reaching the people on the streets of Meerut city. Sharing the Gospel with food and pray along with them for their needs.

As we prepare lunch and meet with homeless and elderly people, we always find many broken hearts and waiting hear the good news on the streets.

We reach them with lunch and water and with the eternal Gospel in hot midday. Truly we believe that Jesus came to save the lost.

Every month twice we gather our believer friends and prepare the vegetable for food. Then we make around 100 lunches and travel through city by motor bikes gave to the homeless people.

Reaching the souls with the heart of God, it was much possible with your partnership.

On the streets we meet with leprosy people and HIV and most abandon people from their own families. We share the Gospel to them with lunch.

We continue to teaching and training believers and disciples in their own villages. Since all of them in the family were not Christians, we take them to different locations for more edifications.

Every home there is a demonic possession among the family, it is hard time, for believers go through very tough time of persecution within family. The Holy Spirit is the Comfort all the time.

The Lord is ministering among the women in the city where we could not able to enter in. Many ladies were great witness of Jesus.

Regardless of evil climate in the city, the Holy Spirit is working among the believers. We have seen so many sick people healed and casting out of the demon possessed.

Most of the night prayers we worship the LORD for 2 hours at the open terrace, all the neighbors would watch the word of God preach, then the LORD would open their hearts towards the Gospel.

We thank you for helping us to go further for the Gospel and reach these precious people.

We continue to teach the youth of the Hindi language people. After hearing the word of GOD their view of culture and traditions has been changed a lot.

We allow them the group study of the word of God among themselves. Most of the first generation of Christian youth, were so keen to learn the ways of the Lord.

By the grace of GOD new believer were learning the truth and their hearts were so much open for the LORD.

Sometimes at the village ministry our life will be totally out of modern life. We take bath at the rivers many times, to cool down.

My family has been a blessing and more responsible at all the time. Yes more sleepless night for my wife. But it was worth putting our time for the children.

We thank you for standing with us for the Gospel, and for my family. We appreciate your partnership in the LORD. Together we can go forward with the Holy Spirit

*In the everlasting love of the LORD,
Sam Apollos & Family.*
